SPECIAL GIFTS

A Special Gift is a multi-year investment in a United Way of Calgary and Area initiative. United Way works with Special Gift donors to match their passion and desire to make targeted investments in one of our priority areas. These gifts create long-term change by impacting individuals' lives and ultimately transforming entire communities. Special Gifts play a unique role at United Way and are separate from the annual campaign.

Here are some special gifts that are making a difference in our community:
