

# THE TOMORROW FUND

## A LASTING LEGACY

The Tomorrow Fund is United Way's community-wide endowment fund for human services. While gifts to the annual campaign benefit our community today, your gift to The Tomorrow Fund ensures that United Way of Calgary and Area can continue to fund programs and initiatives to serve generations to come.

Gifts to The Tomorrow Fund are invested in perpetuity. Only the interest income is used to fund much needed services. A gift to The Tomorrow Fund continues giving beyond your lifetime, and ensures that your generosity makes a lasting impression on our community well into the future.

## THE TAX BENEFITS OF A GIFT TO THE TOMORROW FUND

A planned gift to The Tomorrow Fund can provide significant tax benefits as part of your overall financial or estate plan. Donations such as a bequest in your will, charitable life insurance policy or real property such as securities fully qualify for charitable tax credits.

It is wise to obtain advice from your lawyer or financial advisor prior to making any changes to your will or estate plans. For further information on The Tomorrow Fund program contact our Planned Giving Officer at 403.231.6444 or at [tomorrowfund@calgaryunitedway.org](mailto:tomorrowfund@calgaryunitedway.org).

To everyone who invested in The Tomorrow Fund in 2010, we thank you for your dedication to making Calgary a great city for everyone.

**Chairs Circle:** The individuals acknowledged as Chairs Circle members are past Board or Cabinet Chairs of United Way and have made significant contributions to The Tomorrow Fund.

**Leaders Forever:** The individuals listed as Leaders Forever have donated a one-time gift of 20 times their annual Leadership donation in support of The Tomorrow Fund, with the yearly interest directed to United Way's Annual Campaign.
